PROFILE

A programmer and tech enthusiast who always believes in learning and exploring myself. Currently, exploring and learning Web development. I'm looking for an opportunity to apply my knowledge and work collaboratively on exciting web development projects. I' meager to kickstart my career in the tech industry.

EXPERIENCE

Frontend Developer at BioInnova

Developed a wholesale e-commerce website, BioInnova Africa, using HTML, CSS, JavaScript, and Bootstrap. Built a Shopify-based e-commerce website, The Pure Craft. Currently working on a digital marketing website leveraging React.js and GSAP for advanced animations and interactions. Actively learning Firebase for backend services and enhancing SEO expertise to improve website performance and visibility.

PROJECTS

OTT PLATFORM

- Developed a robust OTT platform using HTML, CSS, JavaScript, Node.js, and Bootstrap. Implemented Authentication, Home Page, About Page, Sign in Page, Search Bar. Ensured responsive design and optimized performance for enhanced user experience.

BioInnova Africa

- Designed and developed a responsive wholesale e-commerce platform using HTML, CSS, JavaScript, and Bootstrap. The website features intuitive navigation, product categorization, and a user-friendly interface, catering to the needs of wholesale buyers across Africa. Focused on delivering a seamless and accessible shopping experience.

CODE EDITOR

- Built a feature-rich code editor specifically for HTML, CSS, and JavaScript using React.js. Integrated syntax highlighting, real-time code execution, and an intuitive user interface. Ensured a responsive design for optimal performance across devices, enhancing the coding experience for users through a seamless and interactive environment.

My Portfolio

- Developed a professional portfolio website using HTML, CSS, and JavaScript. Designed to showcase projects, skills, and experience with a clean and visually appealing layout. Ensured responsiveness and smooth navigation for an optimal user experience, highlighting achievements and capabilities effectively.
